1 gallon

**Dilution:**

Ready-to-Use

Ready-to-Use

Color-safe Super-Oxi, with the power of oxygen, penetrates and acts quickly to remove tough stains and eliminate odors from carpets, upholstery, fabrics, mattresses, patio furniture and clothing. It penetrates and acts quickly on blood, vomit, dirt, grass, juice, coffee, tea, wine, ink and much more.

Natural stain & odor remover

Use on carpets, upholstery and clothing

This is a fantastic product for pet owners, to remove difficult stains resulting from accidents, tracked-in stains, regular use of favorite areas, etc.

## **DIRECTIONS:**

Dispense into spray bottle – DO NOT DILUTE.

Do a preliminary test for color fastness by spraying an area that will not be noticeable.

Remove as much dirt and debris from the area as possible before application.

Spray Super-Oxi to completely cover the stain until saturated.

Gently rub into fabric and let stand for 4-5 minutes. For carpets and persistent stains, blot with a clean white towel.

Rinse with clean water and launder if necessary.

Repeat as required.

## **CAUTIONS:**

Keep out of reach of children

Do not use on leather, silk, wool and “dry clean only” fabrics.

Harmful if swallowed. In case of accidental ingestion drink 2-3 glasses of milk or water

Do not induce vomiting.

In case of contact with eyes or skin, flush with plenty of water for at least 10 minutes. Call physician if irritation persists.
